

TWD Gets Involved in Our Local Community

PEORIA, September 18, 2014

Todd Whittaker Drywall Inc. (TWD) has made it a mission to help our Valley children with donations aimed at raising funds and awareness in athletic programs.

On August 27th, Todd Whittaker delivered a full pallet of bottled water to Shadow Ridge High School in Surprise AZ. This water has been provided to help support their Athletic groups in raising funds for the schools' teams. The labels have been customized to showcase the schools logo and their powerful school message of "Power in the preparation... Excellence in the journey... Success for a lifetime...".

On September 16th, TWD made another special delivery of a pallet of bottled water to Greenway High School in Phoenix AZ that has been personalized with their Demons football logo and mission "To Empower All Students for the Choices and Challenges of the 21st Century".

With so much need within the community, there are numerous ways that you can donate your time and resources to deserving programs, charities and schools. We believe that family and community involvement both play a dramatic role in the success of our local school system. With Todd Whittaker Drywall Inc. being a family owned and operated leader within the city, we know the importance of participating in these activities. Throughout the year we sponsor various sports teams and organizations in which our employees and their kids are members of. Participating in our children's education sets an excellent example to foster good moral and leadership within our community.

This water will be available for purchase at each school's athletic games to help raise funds for their team needs. We invite you to stop by and show your support by purchasing a bottle. There are many venues that appreciate your donations and volunteer help. We encourage you to research other needs within your city and to get involved.

###
