

# Todd Whittaker Drywall Inc. – A Year to Remember

*Todd Whittaker Drywall Inc believes not just in offering a high level of service, expertise and value to their home repair and remodeling customers but in investing in the education and lives of children, veterans and others in their community.*

PEORIA, January 12, 2015

Many within the construction industry experienced a stagnant or dare we say glum 2014. However, for Todd Whittaker Drywall (TWD) Inc that simply was not the case. Since 1996, TWD has been known in the Peoria and surrounding areas as a leader in home repair and remodeling. With TWDs growing involvement in the local community, TWD believes that has been the driving factor in our business success. You can learn more TWD and their services by visiting: <http://www.twdaz.com/about.php>

Partnering with non-profit organization Building Homes for Heroes, TWD was honored to be a part of the remodel process bringing a local home in Peoria, as well as one in Surprise that were donated by Chase Bank up to appropriate living conditions. Two deserving veterans and their families were gifted these homes for their sacrifice and service. Being involved in the key turnover ceremony seeing the look of sincere gratitude on their faces is a moment that will never be forgotten.

Todd and Jamie Whittaker, as parents and as business owners truly believe in contributing within the education system. As a small business, being a role model for our children instilling the concept of giving back is important. This past year TWD was able to donate pallets of bottled water to various school athletics departments to assist in raising needed funds for their teams. Greenway High Schools' Demons football team, Shadow Ridge High Schools' football and softball teams were all recipients of the gesture.

Looking back on 2014, it's apparent that the combined efforts of TWD's dedicated team to strive to be one of the best and to raise the bar for the construction industry are just a few of the things that set TWD apart from the rest. It's this confidence that has enabled the owners of TWD to reinvest in the company by expanding the existing remodel showroom. Adding features such as a fully working kitchen, a custom media wall, an industrial bathroom, an assortment of lighting and décor options, and a diverse display of trends, materials, colors and styles to choose from when planning your next remodel project, TWD has brought a showroom to Peoria that is like no other. TWD invites you to stop by our full service remodel showroom <http://www.twdaz.com/remodel-showroom.php> at 9201 W. Grand Avenue to meet with a member of our design team to see what TWD can do for you.

Looking back, 2014 has been a year of many blessings energizing the TWD team about the upcoming 2015 calendar year and all that is planned. From the TWD family to yours, they wish you a healthy and prosperous New Year.
